

Schedule for the 2014 Pack test and Fire Refresher for Pikes Peak RD.

Please reply back to Jeremy Kiesling or Tom Barter if you plan on taking either the pack test or the fire refresher along with the date.

- You need to submit an HSQ for work capacity testing (pack test), directions are below.
- If you have any questions ask Jeremy Kiesling, Tom Barter, or Eric Zanotto and we can help you.
- If you are taking the fire refresher you will need pants, fire boots, gloves, and a helmet. We will provide you with a practice fire shelter and a tool.

Completion of a health screening questionnaire (HSQ) is required to participate in the work capacity test. If your HSQ has not been cleared by the date of the pack test you may not participate, so submit early. A hard copy of the completed form should be sent to Ralph Bellah in the SO for approval. A current copy of the HSQ is attached to this email.

Scheduled dates could change based on lack of participants, fire activity, or medical personnel availability.

Fire Refreshers will be held at the Woodland Park Workcenter. Time will be from 10 am till mid-afternoon depending on class size.

April 8th
April 22nd
May 6th
May 20th

Work Capacity Testing will be at Woodland Park High School and Colorado College Track in Colorado Springs. Testing will begin at 10 am.
